Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I feel like a development like this could have so much advantages to the residents of Epping Forest and its council and just needed to make the clear by registering this letter of support. I have seen this developer deliver on a number of schemes throughout Kent and believe that they always take the local community's opinions into account to progress their developments. They will no doubt deliver high quality housing, both private and affordable in the area, something which is very much needed.

Not only does this scheme make contributions in terms of new housing through the provision of facilities such as the school, shop and football club but it offers improvements to the transport infrastructure which can benefit users of the wider road network.

Again, I am confident this can be delivered due to the developers history and I believe the council should be too so we can see this progress.

From,
