Dear Sir,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,
CM16 6AR

This scheme offers a range of benefits not seen in this area. It tries to respond to the local environment and makes use of a very underutilized piece of land.

My children will benefit from the sports provision and affordable housing is needed in the area, as well as housing for the area in general.

I would like to lend my support to this project and would like to think that the planning department are able to do something similar.

Yours sincerely,
