Dear Planning Department,

Development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, Essex, CM16 6AR

Glad to see that a specific area within the development is allocated for sports/community buildings for leisure/community activities and not further housing.

More houses could have been placed on this land. This development team has however proposed facilities which can be used by the community of North Weald Bassett, and as a result would significantly benefit the local area. Please take this as a support letter.

Yours sincerely,
