Dear Sir or Madam,

North Weald Park, Rayley Lane, North Weald

The Social impact this development could have on the local population is immense:

1. Equipping young people with skills and experience through sport and social interaction.
2. Bridge the gap between the rented property market and those looking to purchase, through the provision of affordable homes.
3. Create a model for regeneration within the District and leave a lasting legacy as a result.

I think it's better we rely on this type of development as opposed to leaving it vacant and underdeveloped and going ahead with another unsustainable proposal.

Yours Faithfully,
