Dear Sir/Madam,

development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I am a keen supporter of the advantages playing or participating in sports has in the community. I am therefore delighted to see that as part of a major mixed use development scheme, that sport is playing a key role. This model of community involvement has the potential to have a meaningful and long lasting positive impact on the community and I think many people will get behind this. Other developers could also learn from it too. I would like it to be given another chance to be allocated as it will do a lot for the good of the community.
