Dear Sir/Madam,

NWB.R3 Land south of Vicarage Lane

Both my partner and i are strongly objecting to this. This development will create an environment completely condensed with houses that is tacked onto fields in the countryside without consideration to the established area and neighbouring residents. It will have a huge impact on privacy and noise levels whilst also leading to an increase in foot traffic and air pollution.

I struggle to see why a development like this should be allowed to blight our neighbourhood from developers who are just looking to make a quick profit.

  
Yours faithfully,
