Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

This site needs to be developed before it becomes a problem with antisocial behavior, because if let empty for years and years that is likely to happen. Children will likely try and access the grounds and the buildings to get up to no good and it will do more harm than good to our area.

Development on this site is key and I think what is proposed is better than I have seen come forward anywhere in Epping so far as part of the LP process so I am surprised it wasn't allocated. I thought affordable flats could be advantagous to young professionals who cannot afford properties for sale elsewhere. I am also glad to see that development company has offered care homes and retirement living units as its important to look after our elder generation.

Yours sincerely,
