Dear Sir

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,
CM16 6AR

If these buildings are delivered it will significantly boost the supply of new housing accommodation in the area specifically benefiting first time buyers getting on the property ladder.

The new community and sporting facilities will also be able to offer children (and adults) a wider range of activities than are currently in place, all without the respective organisations having to raise the funding for new premises themselves.

Yours faithfully,
