Dear Sir/Madam,

**North Weald Park, Rayley Lane, North Weald**

Why are we getting so worried about a development on a disused golf course? We should be concentrating on preventing development on land with crops, not land rarely used by posh people running around with metal sticks. I see that this land could be used for something decent that is likely to provide something for the whole community.

This being the case, I want to express the support for this development.

Yours faithfully,
