To whom it may concern

Proposed development of North Weald Golf Club, Ravley Lane, North Weald Bassett, Epping, CM16 6AR

I wish to record my support for this proposal as it will be so beneficial to the local area. The educational facilities put forward will be game changing for the area and provide a lasting legacy. The developer has clearly engaged with local people and identified various local groups which can be helped as well and this will be funded by the housing. What better use for land which will otherwise simply sit there providing no benefits.

Yours sincerely,

JOANNA LYNCH
