Dear Sir/Madam,

Development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I have children and am concerned that when they are in their early twenties and the time comes to look for a property they can't find anywhere and will have to move out of area to afford to live. I do not want that and I know alot of other families that feel the same. This is very sad to see people that have been born and bread have to leave their family and friends because they cant aaford anywhere.

With all of the different features and different people it appeals to it will completely change the face of the community...for the better.

sincerely,
