Dear Sir / Madam

Development of North Weald Golf Club, North Weald, CM16 6AR

This site should be brought forward as in my view it is essentially brownfield, given it was in use as a golf course. This is not countryside, it was a golf course which was inaccessible to many, and it sits right next to great transport links. I think it is a sensible place to put housing, which we all know is needed, and provides a range of opportunities for local people.

I would like to support for the proposals and very much hope it comes forward.

Regards,
