*Dear Sir/Madam,*

**North Weald Park, Rayley Lane, North Weald**

*I know it's only currently at a draft stage but from the plans and knowing this developer's history the development looks as though it will deliver a quality housing project that will provide a great choice for those currently living in the town and those wanting to move to the town. At the moment it seems like the people who want to buy houses can't as the older people own and occupy them all whilst people like me have to rent or live at home with our parents.*

*sincerely,*
