Dear Sir/Madam,

**Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,
CM16 6AR**

I have lived locally for many years and feel that the new private and affordable housing will be of great benefit to the town. New people will be brought into the community to use all local facilities and bring vibrancy to the area.

The business space will create jobs, as will the primary school and convenience store and those jobs will use local services, again providing a benefit to so many others.

The ideas proposed are great and I love the idea that they have thought about associated open space. We need to make the ideas a reality.

Ind regards,

R J LORD
