Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I would like to give my support of the proposals for the above address.

I believe that it is important to develop sites such as this as we are currently experiencing a housing shortage. A scheme of this size will contribute a great deal of private homes and more importantly affordable, which will allow future generations the opportunity to get onto the housing ladder.

In addition to the housing, the development also proposes community facilities that everyone in the local area would benefit from.

I believe a development like the one proposed could create a lasting legacy of the town and would like to see it happen.
