Dear Sir/Madam,

North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I wish to register my support for this development proposal.

This is a site that has significant potential for development. It benefits from good connections on the road network into London and is very close to an existing urban settlement, whilst far enough to not have the negative impacts others may.

I will deliver good quality market and affordable housing and also excellent publicly accessible community facilities.

It has my full support.

Yours faithfully,
