Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald
Bassett, Epping, Essex

I strongly support this for a number of personal reasons but let me summarise them as follows;

- This is a development for local people in North Weald- it benefits more people than it upsets
- It is very considerate in the density of housing. Developers rightly have a bad reputation for squeezing houses onto a single piece of land but this is not the case here
- The scouts have been taken into account and offered a brand-new sporting facility
- The youth football team do not have a pitch to play on and I think this is shameful

cheers
