Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,
CM16 6AR

This site is strategically located close to the M11, providing good London-bound links and access to the wider motorway system. It also means that if it ever gets developed the construction vehicles won't have an effect on North Weald Bassett itself, unlike other proposals. When considering construction may go on for a number of years on any site that is quite appealing.

Yours faithfully,
