Dear Planning Officer,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

This scheme is one to be supported. The developer has engaged with the local community at a well-attended public exhibition and has altered the proposals to take on board comments.

They appeared very open to managing their development and taking on board the views of people at the exhibition to seek to address rather than ignore the potential impact.

I already think the development is impressive and should go ahead but if they are willing to listen to the concerns of local people and we can address them then why have the council turned this down?

Yours sincerely,
