Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

Development needs to happen on brownfield land first, then land that has no viable use and then farmland. With so much greenbelt land in the area we do need to protect it but at the same time know when, to meet our goals, it has to be sacrificed. As a derelict golf course, it has no future apart from development whereas productive farmland does. It is the way things should be looked at and hence why I can support this site.
