Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett,
Epping, CM16 6AR

I would like to see this proposal come forward, not least because the people suggesting it have actually taken the time to come to the local community, exhibit and answer questions on their proposals, and listen to what people actually think of them.

There have been lots of ideas and areas of land suggested for housing development and clearly given the news in the papers every day, we do need more housing. Importantly, we also need places for these people to work to enable them to buy the houses and this idea seems to offer a range of employment opportunities for local people to work locally.

Undoubtedly the golf course also offered a limited number of job opportunities but this will offer a much wider number of jobs, not last of all in actually building it. I think this is a comprehensive proposal which should be given the ability to deliver what it says it can.

faithfully,
