Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

What an excellent scheme for Epping. A development of this quality should be a template for all developers and it should be more about the community, not just houses.

Taking the high level of affordable housing in this scheme into account along with the new primary school this area will attract residents from various different locations across the country and bring the vitality back to Epping along with major contributions to the local council.

Thanks
