Dear Sir/Madam,

Land South of Vicarage Lane

I believe that this development will have a detrimental impact on the quality of life of residents surrounding this land in particular and in the local area generally, creating a huge increase in traffic both on Vicarage Lane West and through the centre of North Weald Bassett and leading to a major loss of green space.

Although this isn't at an application stage i do not think this development has been properly thought out, and i cannot see how it can possibly of been considered appropriate given not only the constraints of this site but the suitability of other sites. i urge the Council to take in my views and those of other residents.

Thanks

  
WILLIAM MURPHY
