Dear Planning Team

Development at Former North Weald Golf Club, North Weald, CM16 6AR

I attended the local plan public consultation and am shocked this site was thrown out when it delivers so much of what north Weald Bassett needs in one place. The council said it themselves we need places for employment and places for the community to benefit and this development will deliver more than enough, at their own expense. The affordable housing provision is even higher than other developments.

I don't understand the reasons for this not to be included but I will say I believe that EFDC has let down its residents as it has time and time again.

I have many points of dismay and dissatisfaction with Epping forest district councils site allocations, however one that sticks is that the countryside site to the south of vicarage lane west was allocated.
