Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, CM16 6AR

There are lots of problems with building in the countryside but from what I have seen this idea seems to be able to address most of them. It is not really countryside as it was a golf course, and it seems to be an accessible location.

I think it will generate traffic but it will also provide a lot of opportunities for people to work, as well as a big improvement in school provision, especially if the secondary school is pursued...

I would like to think that this is a proposal which is supported and the benefits are delivered. I am particularly pleased to see the Scouts involvement in the scheme as I think this will really help them.

Thank you very much,

Ahsa Loahce
