Dear Sir/Madam,

North Weald Park, Rayley Lane, North Weald

What's good is that this development makes good use of 'previously developed land' that was once a great asset to the community. It's ludicrous to think that this land is of agricultural value after being used as a golf course for so long. I have upmost confidence this will become the centre of the community if it is developed and has the potential to benefit thousands of people from all walks of life.

Yours sincerely,

D. MAIOMENT
