Re: Jessel Green

Dear EFDC,

It is with great concern for the wellbeing of the community of Loughton that I write to you.

I think that Jessel Green staying as a public open space is vital for the social, mental, physical and spiritual wellbeing of the community of Loughton.

I urge you to remove Jessel Green from your current building plans. I encourage you to enhance the existing open green space for the good of the community. Please would you consider giving Jessel Green the 'Local Green Space' designation?

Yours faithfully,

Richard Seaman
Church Leader
Epping Forest Community Church

Epping Forest Community Church is a member of The Evangelical Alliance
& Churches Together in Loughton. Registered Charity No. 1074617
