Dear Sir/Madam,

North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

This scheme will undoubtedly cause more cars to use the roads, but I think that having attended the public exhibition these can at least be managed through the improvements the developer has proposed as opposed to ignored.

I know that housing is needed, as my own children struggle to get a place of their own, and I think the provision of affordable housing as part of the overall development will help them with this. They have grown up in this area I would like to think that this proposal be supported to deliver the range of benefits promised as well as some of the houses which we are so frequently told the area needs.

Yours sincerely,

  
D. ROBLEY
