Dear Sir/Madam,

North Weald Park, North Weald

This opportunity should be grabbed with both hands. Although the Olympics has long passed the legacy is still clear in schemes like this. Sport in my opinion has the ability to change lives and with such comprehensive facilities the benefits will be felt for many, many years. This will provide the clubs and young people with really good quality facilities and encourage social inclusion across a range of abilities.

I fully support the proposals

Yours Faithfully,
