Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

Traffic is of course an issue but we must rely on the highways department to make sure the improvements suggested by the developer are feasible but I think we all understand that in this economic climate without housing, infrastructure works cannot get funded or delivered and we must all share in the burden. The developer has consulted with local people benefits to make the traffic work in a way that provides betterment to the local area. Given that there are huge community benefits at North Weald Park I am more than happy to have housing as in the long term see major benefits.

Yours faithfully,
