Hi

I attach the Loughton Residents Association representations on the Local Plan.

There are twelve documents each giving the answers to questions 4-11 on a particular topic, and there is one document giving the common answers to questions 1-3 for all twelve representations.

Please acknowledge receipt, and let me know of any problems or queries.

Dear David,

If you are submitting the representations as Loughton Residents Association, then one name and postal address is adequate. If the representations are made by separate people then each representation will need a name and postal address.

Kind regards,

Hi

As we have 12 submissions to make, I propose to email them to you as WORD attachments, with the sections numbered as on the online submission form.

I assume that I need to add the answers to questions 1, 2 and 3 to each one.

Please confirm that you're happy with this, or let me know of any changes needed.

Thanks

David Linnell

Dear Enid,

We would advise you to use the online form using separate part B forms for each comment/policy. However, if you were to send in a letter or email, this will be treated as a representation to the Local Plan, the same as if you were using the online form.

Kind regards,

**Planning Policy Team**

**Subject:** Representations query

Dear Sir/Madam

I spoke to a member of your team this morning about our representations which cover a number of issues to query whether we needed to submit separate form B for each comment/policy. She suggested that one submission would be acceptable but as this is such an important issue for our town, I would be grateful if you could confirm this in writing as soon as possible.  
Many thanks  
Enid
