RR

Dear Cllr Girling,

Thank you for your message, which I have forwarded to Derek Macnab and Alan Hall for their attention.

Kind regards  
Ruth

Dear David/Ruth

Thank you for the email.

I can confirm that for the last 4-5 years the Community Fun Day has proved a huge success.

Thousands of people attend the event each year and I know from attending the events that the public are very supportive and love to see events like this in Debden and welcome many more to come.

This year we would like to encourage as many senior officers and Councillors to attend the event. We would welcome your support if needed to endorse the positive effect this event has on the local community. In Particular encouraging the Housing Portfolio holder, Leisure Portfolio Holder, Chairman of the Council and Leader if available as well as Alan Hall and Derek McNab.

I know from being on the event organising committee in the past that we would like to encourage as many Epping Forest District services/Departments to come and participate too. I have seen a number of departments within the council attend the North Weald events I think it only fair that we see the same level of support in Loughton, so any assistance you can provide with this would be gratefully received.

For example:

- The Safe Communities Team
- Housing
- Planning and Policy team - any Local Plan etc. questions
- Leisure Services - promoting play in the park and summer clubs etc.
- Parking - explain the parking schemes and take questions
- Flooding team etc.
- Parks & Recycle etc.

I look forward to seeing EFDC really engage in the event as the community is a captive audience to share any news, advice, feedback etc.

In case you hadn't guessed I am more than happy to support the licence application.

I would also like to encourage EFDC to deliver more community events on Jessel Green as the community value it and will attend in large numbers.

Thanks

Leon

Dear David

I can't believe a year has gone by already but it's that time when I write to ask if we may have another licence for the use of Jessel Green for a community event.

The date this year is **Sunday 15 July 2017** and activities, arrangements and timing will be much as in previous years.

Please let me know if you need more information.

I look forward to hearing from you.

Kind regards  
Enid
