Dear sir or madam,

I am aware that Epping Forest Council is consulting on the Local Plan and in particular where new housing will be allocated in the Local Plan.

I support the Local Plan as drafted, and believe it is positively prepared and consistent with national policy.

My preference, if Epping is to be expanded, is for this be southward. Any expansion would be limited by the M25 and would not have the same impact on the openness of the countryside as if it was to the north or east of Epping.

In my view allocations EPP.R1 and EPP.R2, which make up the South Epping Masterplan Area would be an effective allocation.

I hope you take my views into account.

Yours faithfully,
