Dear Sir/Madam,

**North Weald Park, Rayley Lane, North Weald**

I am a local resident in the area and am really excited by the prospect of the new housing along with the community facilities this scheme will deliver. This development has the potential to transform our whole area and with the affordable housing element, allowing younger people a chance to get onto the housing ladder.

Notwithstanding the benefits of new housing and the high level of affordable proposed, the scheme also delivers significant community benefits which include the provision of a new school a SEN centre, land for a new secondary school in the future, a medical centre etc. It also will provide an excellent sporting facility/hub for Eppings largest sporting club, the Epping Youth Football Club, in addition to facilities for the 3<sup>rd</sup> North Weald Scouts and UKA too.

I wish for it to go through the planning system without delay.

Warm regards,
