Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,
CM16 6AR

I am writing to you to express my support for the proposed development on the land of the former North Weald Golf Club. This is a piece of land which is not, and I am sure will never, produce crops or have any kind of agricultural use. Yes, it is in the green belt, but why are we choosing to develop on land producing crops in our local plan when there are massive parcels of land such as this which cannot really be used as anything else? Clearly it is not viable as a golf course so what will it be? It cannot sit empty forever surely?!

The develop has engaged with the community when making the plans for this development and it is particularly nice to see a new home for the scouts.

N Baum
