Dear Sir/Madam,

development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

Having attended one of the public consultations for this and spoken to one of the managers of the planning department, I am writing to support this. My initial concerns were that it would represent a bit too dense development and be in quite an isolated location. However, with the variety of shops and amenities this development would have, it is actually quite a nice development and do not think it would put any added strain onto local businesses and services.
