Dear Sir/Madam,

North Weald Park, Rayley Lane, North Weald

Having looked at all the competing sites in the local plan process, this one was by far the most exciting and beneficial. It is not a scheme of just houses, providing both private and affordable options, and commercial space, providing new shops, medical centre and primary school but one that has been well considered and one that I still feel confident will be delivered as the driving force behind it has done this time and time again which has led to great benefits in other towns.

Yours faithfully,
