Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

I went to the exhibition for this in the hall and spoke to the developers in great length about their plans. Although it is in greenbelt, this must be seen as an exception. The old golf course is currently just sitting empty with nothing happening to it. It just seems stupid to not develop land which isn't growing anything on it and cant be operated as a golf course anymore for the sake of greenbelt.

Also, I have not seen any other developer meet local people in the community to listen to local concerns and meet local needs like this one has. North weald needs more shops and schools and could really do with some affordable housing- so why not allowance this on a piece of redundant useless land? We support it.

fromy,
