Site Reference:

Settlement: Waltham Abbey

Do you consider this part of the Pre Submission Local Plan to be:

Legally compliant: No

Sound: No

If no, then which of the soundness test(s) does it fail? Effective

Complies with the duty to co-operate? No

Please give details either of why you consider the Submission Version of the Local Plan is not legally compliant, is unsound or fails to comply with the duty to co-operate; or of why the Submission Version of the Local Plan is legally compliant, is sound or complies with the duty to co-operate. Please be as precise as possible. Please use this box to set out your comments.

Parking inadequacy

Traffic generation concerns

Noise and disturbance resulting from construction

Layout and density of construction

Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/ Consistent with National Policy) where this relates to soundness.

You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Substantially smaller number of flats

For community centre parking and desired number of flats you will need at least 100 parking spaces minimum, this will create intolerable traffic concerns around this area plus health and safety issues with young children attending the infant and junior schools at the top of Tudor way.

Relocation of flats to a different site would be more effective.

If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please let us know if you wish to be notified when the Epping Forest District Local Plan is submitted for independent examination
