*Dear Sir/Madam,*

**Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR**

*I would really like to see this development come to fruition. I am a strong believer in community involvement and the opportunities that are on offer to the local sports clubs should be welcomed and great to see a developer willing to work with the local community to deliver benefits for the community and not just deliver housing and nothing else. I have no problem with a developer making money and profit because the Council are not going to build houses for local people, so long as the benefits are delivered early on in the construction phase.  
Good luck I say and let's hope that the future generations will benefit from the fantastic facilities brought about.*

*faithfull*
