Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

This is a great idea in the most suitable location. It will provide significant benefits to the local area but will not impinge upon the existing settlement of North Weald as it is close to public transport and the A414 and M11 junction 7.

This looks like a well designed scheme that will bring jobs, create housing for local people as well as attract new residents from outside the area, which is a good thing, and create vastly improved local education and sporting facilities on a former golf course that is no longer operating – makes sense to use this sort of land which has limited ecological and environmental benefit, ahead of best and most versatile agricultural land.

I am supporting this proposal ahead of others in the North Weald area.

Yours faithfully,
