

Dear EFDC colleagues,

Please find attached the East Herts Council response in support of the Regulation 19 Consultation.

This report has been agreed for submission by the Leader of the Council Cllr Haysey through the East Herts Non-Key Report process.

However, the report is still subject to a period of call in until the 31st January. Please can I therefore request that you accept the submission as being duly made within the consultation period, but do not process the comments until after they have been fully approved by East Herts Council? I will contact you as soon as this is done. I do not envisage a call in or any changes being made to the report during this time.

Please can you contact me to advise if you are happy to accept this approach?

Kind regards,
