Epping Forest District Council
Submission Version Local Plan 2011-2033 Regulation 19 Public Consultation

I am writing with reference to the above stated consultation.

The Parish Council considered the Local Plan document and its response to this consultation at its meeting on 18th January.

It is noted that there is no planned residential development within this Parish, however the various allocated development at neighbouring towns and villages will undoubtedly have an impact on traffic through the Parish.

Whilst the Parish Council has some concerns regarding the adequacy of the planned infrastructure to support development, the Parish Council has no evidence to suggest the plan is unsound.

Yours faithfully

Adriana Jones
