Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane,
North Weald Bassett, Epping, CM16 6AR

My only concern with this suggested development is that it will add to the current traffic problems for people getting into Epping. It is already impossible to park at the station after about 7.00am and if these houses are just for people working in London it will not work...

Having said that, there do seem to be job opportunities created by some of the uses proposed and so maybe not everyone will want to go into London to work. If home working is also encouraged then this will help with this as well.

I don't mind houses but they cannot be built in isolation and so I think something such as this proposal can work and should be given the opportunity to provide something different. Because of this and on balance I would like to support the proposal.

from,

Mr Bradley Ross
