

Name: Valerie Marchant

E-mail address:

Subject: Limes Farm

Enquiry: I just had a letter through my door stating that there is a proposal to erect 100 houses with the entrance in Manor Rd.I thoroughly object to this.Apart from other considerations with the amount of flats being erected, the traffic will be unbearable.

I have lived here since 1964 when Limes Farm was a farm so I am not happy. Please register my objection. Sincerely Valerie Marchant
