I am very concerned at the actions, or lack of them, by our Town Council. **Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/ Consistent with National Policy) where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

I have no suggestions, other than an investigation into the running of our Council. All our long standing experienced Councillors resigned due to the lack of co-operation from the new regime. I know many residents are worried about this situation.

**If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?**

No, I do not wish to participate at oral examination

**If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

**Please let us know if you wish to be notified when the Epping Forest District Local Plan is submitted for independent examination**

Yes
