No, I do not wish to participate at the hearings

Yes, I wish to participate at the at the hearings

9. If you wish to participate at the hearings, please outline why you consider this to be necessary:

Higgins Homes are concerned that the Plan does not look to meet its full OAHN (which is, at a minimum, 12,573 dwellings), which is contrary to national policy, and therefore there is need to allocate further residential sites to meet this need. Given that Chigwell is acknowledged by EFDC to be an appropriate and sustainable location for development in Epping Forest, we consider that Land at Luxborough Lane could assist the Council in meeting this housing need with the opportunity to provide in the region of 45-75 dwellings

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
