Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald  
Bassett, Epping, CM16 6AR

To my understanding the property developer has agreements in place with local sports clubs to provide a new sporting premises for them and it will be at the developer's expense. I can't see why we would ever turn this down. Surely this is better than a housing estate?

Not only is this a great scheme but the community facilities it provides will be highly accessible to both new and existing residents from the wider area as it is right by the A414.

Thanks,
