Hi,

I am emailing on behalf of my mother in law who lives at [REDACTED]  
[REDACTED]

It has come to her notice that there is a proposal to build 59 affordable homes in the Marden Ash area, Ongr6 Ongr7 and Ongr8 on the Local Plan.

Audrey Fuller lives [REDACTED]  
[REDACTED] where there is a plan to build 9 houses on the car park of the pub.

She wants to formally object to this particular proposal but also to all 3 proposed sites. She experiences very heavy traffic outside her bungalow which makes crossing the road treacherous for her and this will only get worse with the increase in traffic. Audrey is 87 next birthday so this sort of disruption is very distressing for her.

Not only the traffic aspect for her but also the actual building process will affect her greatly. There is also the extra pressure on our only Doctors surgery in the town which is already extremely busy. Our Town is already busy, parking is difficult, our local services are stretched and our little Sainsbury's supermarket will not cope with the extra influx of people.

I do know that the closing date for objections was 19 January 2018 but Audrey did not know anything about this. She did object to the Local Plan when it was first rolled out to the community last year.

We also know that there is a challenge in the High Court relating to the 3 proposed sites and therefore would you please log this objection from Mrs Audrey Fuller.

I look forward to the courtesy of your reply.

Kind regards

SHIRLEY FULLER  
on behalf of MRS AUDREY FULLER
