Hi Caroline

From a highway and transportation perspective the Highway Authority has no objections to make on this proposal as it is not contrary to the Highway Authority's Development Management Policies, adopted as County Council Supplementary Guidance in February 2011, policies ST4 & ST6 of the Local Plan and policy T1 of the Local Plan Submission Version 2017.

Informative

The proposed access and parking arrangements will be similar to the majority of properties along this road.

Kind regards

Matt
